O.E 16-23-1

Reference:- Dewan's order dated 18th August 1923 regarding privilege leave allowances to be given to holders of tenure appointments.

The draft addendum to Mysore Service Regulations put up by the Chief Secretariat and approved by the Dewan requires to be slightly altered. ~~It refers~~ The allusion to "emoluments" made in the draft has to be omitted as this expression is not defined for purposes of leave regulations. As the draft rule stands it is likely to create a doubt that an officer ~~should~~ would carry the right to have his privilege leave allowances regulated by the salary of his tenure appointment even during privilege leave taken ~~long~~ after his reversion to another appointment. An officer ceasing to hold a tenure appointment and taking up another has to be considered as having his lien on the appointment to which he reverts and his leave allowances will have to be regulated according to the general principle contained in ~~the~~ art 172 Mysore Service Regulations. An amendment as under will be in accordance with the Dewan's order dated 18th August 1923 and it may be approved:

"Add as a sub para of Article 172.-

"An officer who has held a tenure appointment "for not less than three years is entitled during "privilege leave taken while holding that appoint-

NOTE—Contn. sheet.

Submitted to His Highness.

With His Highness' sanction, Mr. N. Deva Rao was appointed as Tenure Superintendent of the Dewan's Office and during the period of his employment as such, he was allowed to draw the pay and the duty allowance attached to the post.

2. The Comptroller having objected to the grant of full pay on the ground that Mr. Deva Rao was entitled only to an acting allowance and not the full pay of the post, the question was taken up for consideration and I minuted as follows:--

> "In the case of tenure appointments, no question of acting allowance arises. So Deva Rao should get his pay and not acting allowance. In the case of his predecessor who drew Privilege Leave pay, the rule, I think, may be revised to the effect that Privilege Leave earned in a tenure appointment for a period not less than 3 years should be considered as entitling the officer to full emoluments drawn, even if he does not return to the same post after leave."

3. The Financial Secretary has agreed to the proposal and a draft addendum to the Mysore Service Regulations is accordingly put up for His Highness' gracious sanction.
